PART 1: INTRODUCTION TO RESIDENCE LIFE

The Residence Life Staff and Student Services at Huron are thrilled that you have decided to spend this year in our residences. We are committed to the educational mission of the University and we strive to foster an atmosphere which is conducive to your personal, social, and academic development. The Residence Life Staff (we call them Dons) who live with you will provide support services and help you with your transition to university and residence living.

1. Our Mission

The mission of the Huron Residence Life Program is to provide opportunities for students to realize their intellectual and personal potential in a supportive, safe, and secure environment for all members of the Huron community. This learning community will complement the mission of Huron, cultivate an appreciation of diversity, and foster an environment of mutual respect and cooperation.

2. Our Vision

Every effort of the Residence Life Program will strive to enhance the overall educational and living experiences of our residents.

3. Our Objectives

- To challenge residents to accept responsibility for themselves as individuals and as members of the residence community through the policies outlined in this Code of Conduct and all other relevant Huron policies;
- To provide and support well-trained Residence Life Staff to assist residents as they pursue successful experiences at Huron;
- To encourage and expect an environment of mutual respect that promotes personal, social and academic development;
- To encourage campus involvement and active learning within a diverse community;
- To help students develop a sense of belonging in their residence community by supporting and promoting opportunities for involvement, leadership, and diversity; and
- To offer residents programs and opportunities to engage in social and intellectual interactions.

4. Purpose of Residence Living

As a residential post-secondary institution, Huron offers students unique opportunities to grow, learn, expand their awareness and understanding of others, create friendships that last a lifetime, and develop their own potential.

The residence experience at Huron is unique because the living environment for all five of our residences is closely connected to the academic environment. In assigning students to residences and floors, Huron aims to build communities and encourage friendship and relationship-building. Programming designed and implemented by Dons will be tailored to the specific interests and needs of each floor. The goal of the Residence Life Program is to provide opportunities for students to realize their intellectual and personal potential in an environment that promotes safety, respect, acceptance, and appreciation of diversity.

Huron expects that all individuals who choose to live in residence read and abide by the Residence Discipline Code and take full and complete responsibility for their actions within our residence community and at Huron generally. Becoming familiar with the goals, vision, and expectations for behavior will help ensure that everyone participates in creating and can benefit from a safe and functional environment.

Huron is committed to equity, diversity, and inclusion, and to protecting the rights of residents as set out in the Human Rights Code, R.S.O. 1990, c. H.19. Specifically, Huron takes seriously its obligation to provide accommodation to students that is free from discrimination.

5. Who's Who — Residence Life Staff at Huron

There are approximately 15 members of the Residence Life Staff who live in the residence with the students, supporting and guiding them, providing programming, organizing events, and ensuring they are available to answer any questions or provide assistance in any way. They are trained to maintain an environment conducive to sleep, study, and the overall well-being of the residents. They are also expected to enforce and maintain the residence regulations and guidelines as outlined in the Residence Discipline Code.

Residence Support Coordinator

Along with the Residence Managers, the Residence Support Coordinator assists with the day to day management of our Residence Life Program. This person supports and mentors the Dons throughout the year. They are a member of the Residence Discipline Committee to review all incident reports outlining any behavioural or disciplinary issues. They are full-time employees of the University and a resource available to students at any time. They report directly to the Residence Managers.

Dons

Dons are upper-year students who live in residence to serve in a leadership role on their floor and/or in their house. They are responsible for: floor programming and event planning; being available to residents as a resource for support and guidance; ensuring residents' behavior is managed within this Discipline Code and responding accordingly when it is not (in accordance with the discipline procedures set out herein); and acting as role models for residents. At Huron, we expect our Dons to get to know the residents well; we rely on them to ensure residents feel safe, comfortable, and supported, and can provide direction or information if or when students need additional support.

There is one (1) Don assigned to each community. There is 1 Head Don who works with the Residence Support Coordinator in implementing the Residence Life Program.

Residence Managers

The day-to-day management of our Residence Life Program is handled by our Residence Managers. These individuals hire, train, support, and mentor the Dons and the Residence Support Coordinator throughout the year. They follow-up on all incident reports outlining any behavioural or disciplinary issues. They are full-time employees of the University and a resource available to students at any time. They report directly to the Dean of Students.

Security Desk

The security desk is covered 24 hours per day, seven days per week. There is always someone available to assist the residents with security concerns, access to rooms, or answering questions. The info desk can be contacted by calling 519-438-7224 x. 555.

PART 2: RESIDENCE DISCIPLINE CODE

1. Introduction

The Residence Discipline Code is a comprehensive guide about standards of acceptable and unacceptable behavior, the procedures to be followed if residents or their guests behave or are alleged to behave in an unacceptable manner, and the sanctions for unacceptable behavior.

There are two fundamental underlying principles to the Residence Discipline Code:

- i. Every individual is equal in dignity and worth and should be provided with equal rights and opportunities free from discrimination or harassment; and
- ii. Each student living in residence should be guaranteed the right to peaceful use of her/his/their living space and common areas.

Every reasonable effort will be made to ensure that these principles are adhered to and that residence is a safe and comfortable place for all residents.

The primary objectives of the Residence Discipline Code are:

- i. To foster self-discipline and accountability in students by helping them realize the consequences of their actions, and to understand how they can make better choices in the future;
- ii. To encourage students to resolve their community living issues in a mature fashion and in a way which enhances the residence experience;
- iii. To promote behaviour among residents and their guests that creates an effective study and learning environment; and
- iv. To support the physical safety and emotional well-being of the residents, and protect property belonging to Huron and to residents.

The Residence Discipline Code applies to all residents, and also holds residents responsible for the behaviours of their guests. It is intended to make residence students aware of their rights

and responsibilities so that they make informed decisions about their own behaviour and that of their peers. It is further intended to provide guidance and support for Student Leaders and Residence Life Staff (RLS) in their administrative decision-making regarding events and the resolution of discipline problems.

It is important to note that since residents are also students of Huron, they are also governed by all other applicable Huron policies. The application of the Residence Discipline Code is not mutually exclusive with the application of other policies and procedures and any sanctions imposed therein, including but not limited to the Harassment and Discrimination Policy, the Gender-Based Sexual Violence Policy, and the Student Code of Conduct.

2. Responsibilities

Dons, under the leadership of the Residence Manager, are responsible for overseeing discipline in accordance with the Residence Discipline Code.

Residents are responsible for observing the terms and conditions of the Residence Discipline Code, the Residence Handbook, the Harassment and Discrimination Policy, the Gender-Based Sexual Violence Policy, the Student Code of Conduct, the Residence Contract, and all other Huron policies, as they may be amended from time to time. Residents are responsible for being aware of and behaving in a manner consistent with these policies as well as all relevant municipal, provincial, and federal laws. No resident is exempt from the terms and conditions herein.

3. Offences

An Offence within the Residence Discipline Code refers to a violation of or failure to meet the rules and expectations of residents in a Huron residence, as set out herein and in the Residence Contract, Residence Handbook, and other Huron policies. Ignorance of the rules and expectations does not excuse or minimize an Offence; nor does intoxication.

A list of expectations and associated Offences is particularized in Appendix “A”, grouped by category and listed alphabetically. This information is contained in an Appendix for convenience only and is incorporated by reference into the Residence Discipline Code.

Offences are classified based on three levels of increasing severity, as follows:

Level 1 (up to 3 points): Actions that may interfere with the rights of another individual or community to a peaceful environment and use of space in a safe and healthy way.

Level 2 (up to 6 points): Actions that create a significant disturbance to other residents.

Level 3 (7 or more points): Actions that endanger the safety and security of individuals or the community; compromise or damage the property of Huron University College; and/or attack the dignity/integrity of an individual or community.

4. Disciplinary Action

General Principles

Huron's approach to disciplinary action under the Residence Discipline Code is grounded in consideration of the following non-comprehensive list of factors:

- The nature and severity of the misconduct, including as defined by the "Level" of offence;
- The resident's previous record of behavior;
- The prospect of rehabilitation;
- The need for deterrence on the individual and systemic levels;
- The need for financial restitution, specifically in the case of damage to the Residence or property of other residents; and
- The impact or potential impact on other residents or members of the Huron community.

Sanctions

Sanctions are the consequences or disciplinary actions for behavior that violates the Residence Discipline Code, and/or other Huron codes and policies. Each type and level of offence under the Residence Discipline Code is associated with a specified number of "points". All offences are associated with points ranging from 1 to 9. However, for a first-time offence that is minor in nature, Residence Life Staff may choose to provide a verbal warning to the resident rather than assigning points and an associated sanction. The assignment of points or imposition of sanctions is wholly within the discretion of Residence Life Staff.

The points system is a progressive discipline model. Points will remain on the resident's record until they have moved out of the residence. As the number of points a student accumulates increases, the severity of the sanctions **may** increase.

Students will be informed in writing of the sanction imposed, including any fine to be paid and the deadline for payment.

Sanctions pursuant to the Residence Discipline Code may be imposed in addition to any disciplinary processes initiated or measures imposed pursuant to other Huron policies and procedures, including for example the Student Code of Conduct and the Gender-Based Sexual Violence Policy. If a student commits an offence within the meaning of the Residence Discipline Code, Huron retains discretion whether to pursue the matter under the Residence Discipline Code and/or other applicable Huron policies and procedures, as appropriate.

No points/verbal warning: first time offence that is minor in nature, if in the Residence Life Staff's discretion this is appropriate.

Sanctions – up to 3 Points

- Community Service — tasks or roles assigned as sanction, which contribute positively to the reputation, welfare, or condition of the Residence or surrounding community

- Letter of Warning — written notification from the Residence Manager to the Resident(s) that his/her/their behaviour is not acceptable and continuation or repetition of the behaviour may result in a more serious sanction and/or applicable fine
- Confiscation — removal of item(s) from the possession of the Resident that violate the Residence Discipline Code
- Education — tasks designed to promote learning and remediation
- Loss of Privileges — restrictions on certain privileges for the Resident
- Restitution — payment for damage or loss experienced by Huron, Residence, Residents, Guests or other
- **Fines – Resident is directed to pay a monetary penalty of \$50 for each offence. A list of Fines is contained in Appendix “B” and incorporated herein by reference.**

Sanctions – up to 6 Points

- Any sanctions listed above (up to 3 points), plus:
- **Fines – Resident is directed to pay a monetary penalty of \$100 for each offence. A list of Fines is contained in Appendix “B” and incorporated herein by reference.**
- Communication Ban — limitation on the privileges of a Resident to communicate with another Resident or staff member
- Transfer/Relocation — reassignment of accommodation within the Residence(s)
- Trespass Notice — a sanction given to an individual who is denied the privilege to enter a Residence or prohibited from a specific location within the Residence. The individual is also prohibited from attending any Residence events which occur outside the building. A copy of the trespass letter is filed with Campus Police. The individual found or seen violating the trespass notice at any time will be reported to Campus Police and may be subject to further sanctions under the Residence Discipline Code or Huron policies.
- Denial of Readmission to Residence — Resident will not be permitted to re-apply to live in the Residence in future school years

Sanctions – 7 or more points

- Any sanctions listed above (up to 6 points), plus:
- **Fines – Resident is directed to pay a monetary penalty of \$200 for each offence. A list of Fines is contained in Appendix “B” and incorporated herein by reference.**
- Suspension — Resident is temporarily banned from the Residences for a defined period of time, after which they may be eligible to return. Conditions for readmission will be specified. If a Resident violates the suspension, they will be charged under the *Trespass to Property Act*.
- Recommendation for charges of non-academic Suspension or Expulsion — a sanction where Residence Life Staff make a formal recommendation to Huron's Administration to investigate and/or charge the Resident with non-academic violation

of specific Huron codes or policies which may result in non-academic suspension or expulsion

- Eviction — termination of the Resident Contract and removal from the Residence building. A Trespass Notice is given barring the Resident from entering any and all Residences. The Resident will receive a letter from the Residence Manager outlining the reasons for Eviction and any terms and conditions related to removal from the Residence.

Probation

Once a student has accumulated 7 or more points, they will be considered “on probation” and provided written notice of same. A student on probation may be subject to a behavioural contract, which is a signed agreement between the Resident and the Residence Manager stipulating that the Resident will comply with established conditions of conduct and to refrain from specified conduct. A student on probation is given written notice that any further offence may result in eviction.

5. Disciplinary Procedures

Principles of natural justice and procedural fairness are followed and upheld when considering Residence Discipline Code violations and sanctions. These principles include:

- The Resident has the right to be informed of the allegation(s) of the offence(s).
- The Resident is entitled to an opportunity to respond to the allegation(s) of the offence(s) at a meeting with Residence Life Staff and the Residence Manager. The Resident is also entitled to a reasonable notice of the time, place, and nature of the meeting.
- The Resident is entitled to reasonable disclosure of evidence of the Incident Report prior to a decision.
- At meetings to discuss Level 3 offences, the Resident is entitled to call a reasonable number of witnesses to the meeting to discuss the alleged offence(s). This must be arranged with the Residence Manager prior to the meeting.
- The Resident is entitled to be advised in writing of the decision about the alleged offence(s) and the sanction(s) imposed, if any. The decision should be made within a reasonable time.

Standard of Proof

The information necessary to prove that an offence has occurred is referred to as the standard of proof. The Residence Discipline Code is based on a model of balance of probabilities. The standard of proof has been met if, based on the information available, it is more likely than not that the alleged offence(s) occurred.

Incident Reporting & Discipline Process

1. **Incident Report:** A written Incident Report will be prepared by the on-call Don and provided to the student. The Incident Report will identify the offence(s) (including the level) and may include appendices such as emails, photographs, security, fire, or police reports.
2. The Discipline Committee will convene to consider the Incident Report.
 - 2.1. For Level 1 and Level 2 offences for a student not on probation, the Discipline Committee shall consist of the Residence Manager and Residence Support Coordinator and may include the Head Don.
 - 2.2. For Level 3 offences, any offence where the resident is on probation, or any offence where the resident may accumulate 7 or more total points based on the finding for the incident in question, the Discipline Committee shall consist of the Residence Manager, Residence Support Coordinator, and the Director, Community Safety. Depending on the nature of the incident, Huron retains the right to appoint other officers of Huron to the Discipline Committee dealing with Level 3 offences.
3. The Discipline Committee may choose to issue sanctions and notice to students **without** a formal meeting (Review Meeting) **OR** may request a Review Meeting with any and all students involved in the incident, either named in the Incident Report or known to the Discipline Committee but not named. For example, the Discipline Committee may choose to have a meeting with the student for a 1st time offense but not have a meeting in the event the same student repeats the offense. In this case, the student would be sent communication outlining the category and level of offence and be given a reasonable period of time to provide a response. The resident will be notified of the sanction being imposed (if applicable).
4. Proceeding Under an Alternate Huron Policy: depending on the nature and severity of the incident, the Dean of Students may elect to initiate an investigation under the Student Code of Conduct, the Gender-Based Sexual Violence Policy, or the Sexual Harassment and Discrimination Policy; in that case, the process and sanctions will follow those outlined in the policy under which the incident is investigated.
5. **Decision without a Review Meeting:** For Level 1 offences for a student who is not on probation, the Discipline Committee will review the Incident Report to make a finding and determine the appropriate sanction. The resident will **NOT** be called in for a Review Meeting in these cases, however will still receive Notice and be given the opportunity to provide a response. The resident will be notified in a Decision Letter of the finding(s), sanction(s), and probationary status (if applicable).
6. **Decision following a Review Meeting:** A Review Meeting is an opportunity for the resident to be heard and explain their behaviour to the Discipline Committee and is more likely to be scheduled for Level 2 or 3 offenses. While these meetings will comply with the principles of natural justice and procedural fairness, they are not overly formalistic.

Residents will be given reasonable notice of the time and place of the Review Meeting. Residents may bring a support person to the Review Meeting; that individual may not also be a witness, and is there only to support the Resident but does not have a participatory role.

7. Outcomes Related to Review by Discipline Committee

- 7.1.** If the resident fails to attend the Review Meeting, the Discipline Committee may choose to proceed in their absence.
 - 7.2.** The Discipline Committee (as it is constituted according to section 2, above) may proceed with Level 1 sanctions and notification to students without requiring a Review Meeting.
 - 7.3.** The Discipline Committee (as it is constituted according to section 2, above) will conduct a Review Meeting with the resident for level 2 or 3 offences, or any offence for a student who is already on probation.
 - 7.4.** At Review Meetings in respect of Level 3 offences, the resident may identify witnesses who will be interviewed separately by the Discipline Committee.
- 8.** A Decision Letter will be sent to the resident outlining the finding(s), sanction(s), and probationary status (if applicable) within a reasonable time following the Review Meeting.

6. Appeal Process

- 1.** Discipline Committee decisions may be appealed by the resident within two (2) business days of receipt of the Decision Letter. The Decision Letter will set out the resident's right to appeal and the time limit for doing so. The resident will be deemed to have received the Decision Letter upon delivery to the resident's Western e-mail account, residence room, or residence mailbox.
- 2.** Simply disagreeing with, or not liking, the disciplinary action is not grounds for an appeal. The grounds for appeal shall be limited to the following:
 - i.** New information has become available since the decision was rendered;
 - ii.** The resident can demonstrate that there are reasonable grounds to believe there was a procedural irregularity or bias; or
 - iii.** The resident can demonstrate that the decision was unreasonable or disproportionate.
- 3.** A resident wishing to appeal the decision of the Discipline Committee must submit an appeal application. An appeal application must include the following information:
 - i.** A copy of the Incident Report(s);
 - ii.** A copy of the Decision Letter;

- iii. A written statement of the grounds for appeal together with all relevant supporting information; and
 - iv. A description of the relief or resolution requested.
- 4. Sanctions imposed by the Discipline Committee remain in effect during the appeal process. In the case of an eviction, the resident must vacate the Residence and find alternate accommodations, but need not remove all of their personal possessions until the appeal process is complete.
- 5. Appeal applications pertaining to a decision involving a Level 1 or Level 2 offence for a student not on probation shall be e-mailed to the Dean of Students. Appeal applications pertaining to a decision involving a Level 3 offence or where the sanction was an eviction shall be e-mailed directly to the VP Finance and Administration.
- 6. The Dean of Students or VP Finance and Administration, as the case may be, or their designate, will review the appeal application and determine whether the application meets the requirements set out in section 3 above and has been brought in the time set out in section 1 above.
 - 6.1. If the Dean of Students or VP Finance and Administration determines that the appeal does not meet the requirements, the Discipline Committee decision stands and the process ends. The resident shall be notified in writing. There shall be no appeal from a decision of the Dean of Students or VP Finance and Administration on a review of an appeal application.
 - 6.2. If the Dean of Students or VP Finance and Administration determines that the application meets the requirements, it shall be forwarded to the Residence Appeals Committee and the resident shall be notified in writing.
- 7. The Residence Appeals Committee shall consist of the Manager Student Engagement, the Registrar (Chair), and the Chief Strategy Officer. In the event that any one of these individuals cannot participate in a given appeal review, the Dean of Students shall appoint a designated replacement member for the Residence Appeals Committee for that review. A designated replacement must be a full-time staff member at the AVP level.
- 8. The Residence Appeals Committee will convene to review an appeal application within a reasonable time. This shall be a paper review of the existing record only, except that in the case of an eviction, the Residence Appeals Committee may, in its sole discretion, invite further submissions.
- 9. Following its review, the Residence Appeals Committee will take one (1) of the following actions:
 - i. Dismiss the appeal as having insufficient grounds;
 - ii. Consider the appeal and nevertheless uphold the original findings and sanctions imposed;

- iii. Consider the appeal and uphold the original findings but not the sanctions imposed, choosing to impose alternative sanctions, which may be more or less severe than the original sanctions imposed;
- iv. Consider the appeal and overturn both the original findings and the original sanctions imposed.

10. The Residence Appeals Committee must achieve unanimity in all decisions. The Chair of the Residence Appeals Committee will notify the Dean of Students of its decision, in writing, within two (2) business days of its decision and the Dean of Students shall notify the resident forthwith.

11. Decisions of the Residence Appeals Committee are binding and final.
